Commissioner for Patents

Washington, D.C. 20231

Sir:

Responsive to the Official Action of August 21, 2002,
please amend the above-identified application as follows:

IN THE CLAIMS:

Amend claim 1 as follows:

C

1. (twice amended) Transaction card representing a certain monetary purchasing value which can be exchanged for an optional product or service comprising a card-shaped body with an integrated circuit having a memory which can be read out electronically and programmed, intended, at least temporarily, to store the above-mentioned monetary value in the memory, in a way compatible with an existing electronic payment system wherein the product or service comprises a reservation for an event, in that an amount due for said event is deductible electronically from said monetary value by means of said integrated circuit and in that reservation information is loadable in said memory, wherein
